

Burbank Podiatry Associates Group Joins Upperline Health
Dr. Frank Case Added to Upperline's Group of Medical Advisors

Nashville, Tenn., January 29, 2020 -- Upperline Health, leader in lower-extremity care, has partnered with Burbank Podiatry Associates Group to extend its capabilities into the Southern California market. Upperline Health has also added Frank Kase, DPM, FACFAS, to its group of medical advisors.

"It is so exciting to add Dr. Frank Kase, one of the most influential DPMs in America to our platform," said Michael King, DPM, Chief Medical Officer at Upperline Health. "Frank offers not only the best of the best of clinical skills, but a wealth of experience and respect in the California podiatric medical political landscape."

Dr. Frank Kase is the founding partner of Burbank Podiatry Associates Group. He is a Diplomate of the American Board of Foot and Ankle Surgery as well as the American Board of Podiatric Medicine. He is the Fellowship Director of Specialty Surgery Center of Encino, a past president of the California Podiatric Medical Association and chairman of Health Policy Committee of the California Podiatric Medical Association for more than 20 years. His business partner, Dr. Oliver Wang, is a prominent foot and ankle reconstructive surgeon and is the key attending physician of UCLA's Olive View Medical Center where he teaches and trains residents and students.

"Our partnership with Upperline Health will help us in our goal of providing the highest quality foot and ankle care to patients in need," said Dr. Kase. "Providing value-based care will allow us to impact the overall health and wellness of Burbank and our surrounding communities."

Upperline Health provides the highest quality care to more patients in need through a skilled and compassionate team. Upperline Health is building out a network of the top podiatric physicians and practices across the country while partnering with health plans and community providers to deliver comprehensive lower extremity and wound care in a consistent and high-quality manner.
